Online Consultation

Welcome

November 2022

Welcome to the follow-up Online Consultation for the Torrance Wind Farm Extension 2 project. We will be visiting in person again (details below), but we are also continuing with online consultation following the Covid-19 pandemic, to ensure we reach as many people as we can. If you can't make it along to one of our open days, or don't yet feel comfortable doing so, you will find all the information and landscape and visual panels that we will be showing below. You'll also find a feedback form to fill in or you can email us directly with comments or questions at info@torrancewindfarmextension2.co.uk

Community Open Days

We will be holding two Community Open Days, one in Harthill Village Hall and one in Craig Inn Community Centre, Blackridge.

You can fill in a feedback form on the day, or fill in the one in the link below and send it to us afterwards.

Tuesday 29th November 2022
Harthill Village Hall, 2.00pm to 7.30pm

Wednesday 30th November 2022
Craig Inn Community Centre, 2.00pm to 7.30pm

(please note we're expecting a school visit at 1.30pm so we may have a hall full when we open to the public at 2pm)

Information Panels

Here you will find the information panels we will be displaying at our in-person Community Open Days.

Landscape and Visual Panels

Here you will find the Landscape and Visual panels we will be displaying at our in-person Community Open Days.

Please note, visualisations can give an impression of the appearance of a landscape and proposed wind farm however neither photographs or visualisations can convey a view exactly as it would be seen by the human eye in reality.

Feedback Form

We would appreciate you taking a moment to complete the following questionnaire so we can find out more about your views on the wind farm proposal this consultation is all about. The aim of this questionnaire is to allow individuals to contribute to the development process and interact with Infinergy. This is not a substitute for the official planning process. No personal information will be passed on to third parties.

Please [click here](#) to access the form.

Thank you

Many thanks for taking the time to visit our online consultation. When the consultation period is over, we will transfer all of the relevant files to the Documents section of the website. If you have any further questions at any time, please don't hesitate to contact us by email at info@torrancewindfarmextension2.co.uk

ABOUT

Infinergy is a renewable energy company, committed to increasing the use of zero-carbon electricity. Power which is generated by wind and solar PV projects allows us to fuel our modern-day lifestyles whilst living in harmony with our natural environment, preserving it for generations to come.
