Have you noticed the 7 turbines up in the Fauldhouse forest? Probably just the start of many 😞 We're surrounded with these things and still our electricity bills go up - what use are these things to anyone?

What happened to the cheap electricity mmmmm
Absolute eyesore

Kenny McNicol
Think this is the proposal site

As usual the companies and land owners are the only ones to benefit from these. They should be paying each home instead of a community group who put flower planters about the place. I'd rather see my bills come down instead of looking at a flower.

Torrance Wind Farm Extension 2

Community Open Day

To find out more about the proposal for a second extension to the Torrance Wind Farm, comprising 4 wind turbines of up to 200m to tip, situated directly north of the eastbound BP Harthill services on the M8 motorway and approximately 2km south of Blackridge, the project team invite you to our Community Open Days:

Harthill Village Hall
Tuesday 29th November, 2.00-7.30pm
Craig Inn Community Centre
Wednesday 30th November, 2.00-7.30pm

This second round of open days will give local residents the chance to view, comment on and question the latest proposals. All open day material will be on the project website from the 29th November. It should be noted that comments made to the team are not representations to the planning authority. Should an application be submitted, there will be an opportunity to make formal representations on the application to the planning authority. at that time

For more information or to submit a comment by 9 December:
Freephone: 0800 980 4299
info@torrancewindfarmextension2.co.uk
www.torrancewindfarmextension2.co.uk
